

A decorative border of black line-art leaves and branches surrounds the text. The leaves are simple, oval-shaped, and arranged in clusters along thin, curving stems. The border is most dense at the top and bottom, with some stems extending vertically on the left and right sides.

Jesus, I invite you into my home today. I ask that you would fill me up so that I can pour out. I ask that you would help me to be self-controlled to make time with you today. Help me get the things I need to get done today while glorifying you.

Help me to stay focused on my mission as a wife and mother. I cannot do this without you. I ask that you would guide my words and actions today. I ask that I would radiate you in everything I do.

I pray for protection and peace over my husband and children. Guide, direct, and lead us where we should go. We ask for wisdom and biblical knowledge.

We trust you with our lives. In Jesus name, Amen!
